Celebrating all things black at Carver Center lunch in Feb.

By Claire K. Racine
Reporter

Local residents turned out to celebrate all things black, including history, culture and fashion, at a lunch on Saturday, Feb. 27 at **Carver Center** in honor of Black History Month.

Joan Thomas, Ingraham Taylor and Davon Faison were honored for their community leadership in Port Chester.

Carver Center's Nia Girls talk about what it means to be a woman of color and highlight some adjectives often used to describe them.
