

SEE THE NEW CARVER

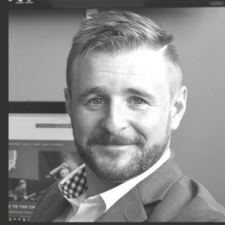

SEE OUR REMARKS

Carver Center has once again had a year of growth and development thanks to our supporters. We've surpassed goals we've set for our organization, underwent a strategic planning process and, with new goals and objectives in mind, are gearing up for another great year of serving, educating and empowering our community.

Carver Center is a home away from home, a safe space, a comfort zone for so many in our community. We're prepared to offer the highest quality services to everyone who walks through our doors, improving the lives of our clients, volunteers, and donors alike. We invite you to come by and **SEE The New Carver** for yourself. Meet our staff, see our programs, talk with Carver kids, and experience first hand the incredible impact we have on people every day.

We hope you'll drop in.

SEE OUR IMPACT

“**CARVER CENTER** has had an exceptionally positive impact on my family. We use the facilities regularly and have participated in a variety of programs offered by the organization. It has been the **NUMBER ONE CHOICE** for my family’s needs for the past decade. I have peace of mind knowing my children are safe, well cared for, enriched and receiving encouragement while there. **THEIR RESOURCES ARE UNPARALLELED TO OTHERS IN THE AREA.**”

CARVER CENTER IS MORE THAN AN ORGANIZATION IT’S A MOVEMENT IN OUR COMMUNITY AND I AM VERY PROUD MY FAMILY IS A PART OF IT.”
