Board of Directors Fundraising Pledge Form July 1, 2017 – June 30, 2018

Dear Board members,

Carver Center raises 20-30% of its revenue from individuals and family foundations. Sustaining a vibrant organization depends on 100% board participation in the annual fund and annual benefit concert attendance. Board members are also expected to participate in donor cultivation efforts to expand our donor base in support of Carver’s mission. Such efforts include introducing colleagues to the Chief Executive Officer and Chief Development Officer, hosting a friendraiser, and helping to develop ask strategies for prospects.

To that end, we ask that you consider what your **TOTAL** gift to the organization will be this fiscal year and when it will be most convenient for you to remit your gift. For example: your annual appeal gift, a possible corporate match for that gift, attending the concert/benefit, purchasing additional tickets for friends/family. Please consider the sum of each to be your total board gift for this year.

Appeal Gift :	\$ _____
Matching Gift:	\$ _____
Benefit ticket(s)	\$ _____
Total \$	\$ _____
Intended Remission Date:	_____

PERSONAL COMMITMENT STATEMENT:

All Carver Center Board members are expected to make a financial contribution to support the organization’s operating budget. In addition to demonstrating the board’s full investment in our mission, 100% board participation makes us a more viable recipient of gifts and grants from individuals and foundations. There is no minimum amount, although we ask that you consider an amount that is significant according to your means. **If you cannot make a significant gift, the expectation is that you will obtain donations in substitution.**

I agree to fulfill the above-stated fundraising goals to the best of my ability.
