**Yoga? You? Yes!** Ages 6+ | 9-10am & 10:10-11:10am |  
**Dance Studio**

Don't worry if your child has never tried yoga before. It will make them stronger, more flexible and help them feel good from the inside out. Yoga is for everyone and yoga mats will be provided.

**Coding Club** Ages 9 to 13 | 11am-12pm | **Training Room**

Have fun learning computer coding and game development in this class taught by responsible and caring local teachers who wish to share their enthusiasm for technology. You will enjoy developing knowledge of coding and technology in a relaxed, supportive environment, while gaining a valuable skill set in today's technology driven world.

**Carver Time Explorers** Ages 6+ | 9-10am & 10:10-11:10am | **Market Classroom**

Get to know Port Chester in 1774, when it was known as the Saw Pit. How was life different 250 years ago? We will answer this question and more as we explore America through hands-on activities like churning butter, crafting soap and decoding secret messages. Hold onto your caps and bonnets as we dive head first into the past!

**Color Me Italian!** Ages 6+ | 9-10am & 10:10-11:10am |  
**Conference Room**

Learning a new language is fun, and using pictures as learning tools is very effective for children! Participants learn about the culture of Italy while studying basic vocabulary related to homes, holidays, clothing, families and more. Drawing, coloring, and the use of flash cards will keep our sessions fun and colorful!

**Literacy & Numeracy Games** Ages 5+ | 10:10-11:10am |  
**Tech Lab**

Children benefit from play related to their academic learning. Participants will work with a certified teacher to enhance their reading, writing, listening, speaking and math skills through a variety of interactive games. The instructor will match games to the group and individual participants so that the time is beneficial and fun for all.

**Basketball Skill Building** Ages 6+ | 9-10am | **Gymnasium**

Your child will learn the fundamentals of basketball in an encouraging and fun environment. Our Youth educator will focus on the best of sportsmanship, teamwork, skill building, and understanding of the game. Nets appropriate for young children will be used to guarantee the success of every participant.

**Arts & Crafts** Ages 5+ | 9-10am & 10:10-11:10am |  
**Makerspace**

Join in the fun that painting, origami, working with clay and other media brings to a Saturday morning. Participants will craft different projects each week and bring all of their creations home to share with friends and family.
