SEE THE NEW CARVER

A Message from the Chief Executive Officer

In every dimension, Carver is flourishing, and I am delighted to share our 2015-2016 fiscal year financials. Our budget expanded by over one million dollars, providing vital resources to our children and families, commencing a new chapter for the organization. This growth reflects the generosity of our donors as well as our dedicated staff and board's ability to address challenges that accompany such tremendous advancement.

While Carver's past will always be something to celebrate, our greatest achievements may well lie ahead. We have undergone a strategic planning process, clarified our mission, and streamlined our goals. With your partnership, Carver is poised to do more than ever for Port Chester's children and families.

Your support empowers us to maintain our standards of excellence while looking ahead to unprecedented growth in our community and capabilities. Thank you for contributing to the enrichment and growth of Carver Center.

JOSEPH KWASNIEWSKI
Chief Executive Officer

SERVING EDUCATING AND EMPOWERING FAMILIES IN OUR COMMUNITY SINCE 1943

SEE OUR PROGRAMS

AFTER SCHOOL PROGRAM

Our After School Program successfully contributes to the learning and healthy development of children. Our model is based on four focus areas: academic support, enrichment, social-emotional development, and health & wellness including a balanced daily meal cooked by our in-house chef.

SENIOR PROGRAM

Our senior programs aims to keep senior citizens engaged in our community and provide opportunities for socializing. Our Senior Breakfast, run by volunteers, provides a warm breakfast the first Friday of each month to an average of 30 seniors. Breakfast is followed by a presentation on topics relevant to our seniors such as health care, housing, and legal issues. Carver Center's Senior program also offers monthly grocery deliveries to homebound seniors.

COMMUNITY & FAMILY SERVICES

Community and Family Services meets the nutritional, emotional, social and other poverty related needs of Port Chester's lower income residents providing opportunities for growth and advancement through educational workshops. Always growing and changing with the needs of the community, this year we've launched a citizenship program helping residents achieve citizenship status and changing their lives in the most important of ways.

TEEN CENTER

Our Teen Center provides a safe and positive environment where teens can spend their out-of-school time building new skills, finding support for life challenges, and preparing for their future. All programming is designed to encourage the growth and development of teens while keeping them engaged in healthy activities that deter them from becoming involved in high-risk behaviors that have negative consequences. The programming options are diverse and include academics, athletics, leadership skills, community service, and cultural enrichment. Teens form lasting friendships, participate in recreational activities such as basketball and soccer, attend college tours and take field trips. The center is fully equipped with computers, homework tutoring, a pool table, flat screen TV, physical fitness spaces, and a music studio.

SUMMER PROGRAM

Carver Center's Summer Program provides school-aged children with a six week full day enrichment and recreation experience that keeps them learning during the summer vacation! The Summer Program includes academic skill maintenance and building through literacy activities, enrichment activities such as dance, gardening, and art projects, and recreational activities such as free play, basketball, soccer, and swimming. Field trips provide campers cultural experiences, and home cooked breakfast, lunch, and snack are provided on a daily basis.

FOOD PANTRY

Our Food Pantry provides families and individuals with the most basic of needs to help fight our community's hunger crisis. Our Food Pantry is the only self-shopping grocery style pantry in the village, allowing parents to shop for their family's individual needs. Fresh produce, meats, vegetables, grains and canned goods are readily available to eligible families and individuals who browse our aisles monthly for a 3-days supply of supplemental food. Each month, our pantry serves over 1,300 individuals. Our Food Pantry is stocked through the generosity and kindness of our supporters including discounted grocery programs, community gardens, individual donors, corporate donations, community food drives and various non-profit partners.

AQUATICS & FITNESS

Carver Center offers the only Pool and Fitness Center that is open to the public without a membership in Port Chester. The Fitness Center features cardio, free weight equipment, and a boxing ring. Our facilities offer the public an affordable way to keep in shape and maintain a healthy lifestyle.

MENTAL HEALTH & WELLNESS

Mental Health & Wellness is our newest initiative focused on bringing a mindfulness and wellbeing element to our programs by introducing Social Emotional Learning (SEL). Mental Health & Wellness helps children gain the knowledge and skills necessary to manage emotions, resolve conflicts, achieve goals, and build lasting relationships.

RECREATION & ENRICHMENT

Our Recreation and Enrichment programs provides a series of classes in sessions throughout the year designed to offer Port Chester children, youth and adults enrichment activities such as dance, art, soccer, karate, language, technology classes and so much more. These programs aim to offer our community a fun and educational experience by introducing them to engaging classes where they can learn new skills and talents.
