A safe space to innovate

New Carver Center Innovation Center features advanced STEAM technology, fosters creativity for free

By Sarah Wolpoff
Thursday, May 23, 2019 6:03 AM

A lot of people don't go home immediately after clocking out of work for the day. Sometimes they go to the gym. If it's nice out, they may relax in a park for a little while.

Similarly, when Port Chester Middle School seventh-grader Jennifer Farias gets out of school, she almost never goes straight home. Her first stop is the Carver Center, where she spends the afternoon shooting and editing video against the green

In celebration of the new Robert Kanlan and Debra Stokes Kanlan Technology Learning &...
