

ADVISORY – MARCH 12, 2020

Please be advised that, out of an abundance of caution, TODAY will be the last day for Carver Center After School Programming at JFK and Edison Schools, as well as for the Carver Center Middle School program held at Carver Center, until further notice.

In addition, today will be the last day that the Carver Teen Center, Citizenship Classes & Aquatics Programs will be available until further notice.

At this time, Port Chester Schools remain open, as does Westcop Head Start Programming. We will continue to host Head Start at Carver as long as they remain in session.

Carver Center will not be open for Helping Hands, Dinner at Noon until further notice.

Our food service department remains open until further notice. We will honor our commitment to serving on, and off-site, programs as contracted.

Please be aware that the Carver Market will remain open as long as we are able to ensure the safety of our community. Groceries from the Market will be pre-bagged and distributed to clients in the playground area at Carver Center.

We are grateful to our partners for their continued support and remain in constant communication with them.

Carver was founded in response to community challenges more than 75 years ago, and will surely weather today's community challenges, in the spirit of our Founders.

How can you help? Please visit www.carvercenter.org for frequent updates.

It is especially important that you help our efforts by becoming a part of our Facebook community: Port Chester Carver Center, so that our humble requests for necessary items can be heard across our community.

Due to staffing limitations, we are not equipped to accept donations of anything at this time that we are not formally putting out via social media.

Financial donations are MOST welcome at this time and can be given via: www.carvercenter.org

With gratitude,
Team Carver
