

CARVER CARES CHALLENGE

THANK YOU!

CARVER CENTER

BUILDING BRIGHTER FUTURES

Dear Friends of Carver Center,

Although the world we live in has changed significantly over the last two months, Carver Center's determination to provide critical resources to our Port Chester families has not wavered.

We anticipated that in the face of Covid-19, the need for food would grow, but never could we have imagined the number of food insecure families that would line up to receive contributions of food at our Carver Market.

In May alone, we fed 8,028 individuals from 2,077 households. You have helped us provide this service. Thanks to you, the Carver Cares Challenge – Carver Center's online fundraiser that replaced our cancelled May 2nd event – has exceeded our goal of \$500,000. Thank you for your generosity and spirit of giving!

These funds are being used to help us keep the Carver Market open. Because of this funding we've been able to provide our families with fresh produce, proteins and dairy products as well as non-perishable food, masks, hand sanitizer and diapers.

Carver Cares Challenge funds have also enabled us to provide some of our learning programs virtually, particularly citizenship classes and teen center support. This funding allowed us to further develop meaningful partnerships in the community with other nonprofit agencies, small businesses and individual families. We are especially grateful to Feeding Westchester, Caritas and The Salvation Army of Port Chester for collaborating with us during this critical time.

We are so grateful to you for supporting Carver Center and the Carver Cares Challenge. Thank you for your help in building brighter futures.

With appreciation,

Anne Bradner

CARVER CENTER'S MISSION- TODAY AND TOMORROW

While Carver Center's programs and services continue to evolve during the current health crisis, our central mission— to build brighter futures by serving, educating and empowering families in our community— remains the same.

TODAY

While most of Carver Center's in-person programming is currently suspended, Carver Center's staff is developing ongoing virtual learning opportunities to maintain essential ties to their students. Our Teen Center staff continues to provide individualized support to teens through Zoom video sessions. These virtual meet-ups engage our teens with leadership activities and mentoring workshops. Our Citizenship Coordinator continues to prepare her students for their upcoming tests by phone.

Our Carver Market remains open with help from our community partners. Our collaboration with Caritas and The Salvation Army is ensuring that we are serving as many families as possible without duplicating our important services. Caritas is sourcing food donations and hot meals from local restaurants and businesses and is also cooking meals for distribution at Carver. The Salvation Army is delivering groceries and meals to home bound residents. We are grateful to Feeding Westchester for supplying food for distribution.

TOMORROW

We anticipate that the number of families and individuals in need of services will continue to grow as we navigate through the upcoming weeks and months and well into the summer. The organization's most immediate challenges include ensuring the health and safety of our staff and community while distributing essential emergency food relief.

OUR PROMISE TO OUR COMMUNITY

As our community looks to reopen, our vulnerable families will continue to experience financial uncertainty and food insecurity. In times of crisis, the work of the Carver Center remains paramount. The success of the Carver Center Challenge has provided the support needed to continue to evolve our programming to meet the most pressing needs of the community.

CARVER CENTER'S COVID-19 RESPONSE

By the Numbers

Carver Market served **1,933** households, translating to approximately **7,719** individuals served in the month of April.

In May, the number increased to **2,077** households, representing **8,028** individuals.

From March 24 - May 14, Carver Center received and distributed **37,018 pounds** of food from Feeding Westchester.

We distributed dairy, eggs, meat, chicken, produce, fish, and shelf-stable food such as cereal, beans, soup, fruit, rice, and pasta to our families.

8,484 diapers from 914Cares were distributed to families during Market days.

[Learn more about our response by watching our video here.](#)
