## Facts of life

Thursday, June 18, 2020 4:52 AM

**Port Chester Carver Center** was awarded a **core mission grant of \$30,000** from IMPACT100 Westchester, the women's collective giving organization.

The final decision on the amount of the grant was announced at their June 2 virtual Annual Member meeting. **Carver Center** was a finalist and one of the 12 award winners selected by the organization.

In addition to emergency food relief, this grant will support **Carver Center's** efforts to maintain the essential ties to the community. Carver Center Teen Center staff continue to provide individualized support to Teens through Zoom video sessions including fitness activities, leadership development and mentoring. Staff members of the Carver After School Program (CAP) serving elementary students are working to develop enrichment content for students and families in a virtual environment.
