About us: The Port Chester Carver Center creates opportunities for Port Chester residents to learn, work, and thrive through programs that nourish, educate, and empower. Founded in 1943, Carver Center began as a small storefront daycare program for African American children whose parents worked in wartime defense plants. The Carver Center grew to be a small food pantry and childcare program that operated out of a rented synagogue basement for over 50 years.

In 2000, Carver Center moved to our current location—a 50,000 square foot building that features classrooms, multi-use rooms, a 25-yard heated indoor pool, saunas, a full-court gymnasium, movement studio, a fully equipped kitchen, tech lab, food market, and a STEAM makerspace. Informally known as the heart of the community, Carver Center’s programs and services meet the holistic needs of people at every stage of life. Carver Center’s programs address food insecurity; childcare; out-of-school-time enrichment; youth development; services to support immigrants (citizenship classes); programs for senior citizens; aquatics and more.

Carver Center employment policy requires the completion of a full background check prior to hiring.

Position may not include all of the duties listed, nor do the examples necessarily include all of the duties performed.

The Carver Center is an equal opportunity employer. All aspects of employment including the decision to hire, promote, discipline, or discharge, are based on merit, competence, performance, and business needs. We do not discriminate based on race, color, religion, marital status, age, national origin, ancestry, physical or mental disability, medical condition, pregnancy, gender, sexual orientation, gender identity or expression, veteran status, or any other status protected under federal, state, or local law.
